uha:

a 24-hour studio with a asynchronous approach, distributed across 6 time zones, with a team of Architects, designers, urbanists, visualizers, sustainability consultants, and project managers who design and deliver projects around the clock. As office hours draw to a close in Tokyo, work continues in Mumbai and construction sites open in London. With over 40 projects currently under construction across 3 continents, the multi-nodal studio provides a variety of services within an accelerated timeline.
