INTRODUCTION

Limassol is the second largest urban area in Cyprus, located on the southern coast, with an urban population of 160,000 — 176,700. Limassol provides mountain and seafront living offering the perfect destination to suit each person. A long stretch coastline with crystal blue clear waters with golden sand will provide an endless living lifestyle that you call home.

Limassol was built between two ancient cities — Amathus and Kourion — and during Byzantine rule it was known as Neapolis (new town). Limassol's historical centre is located around its medieval Limassol Castle and the Old Port. Today the city spreads along the Mediterranean coast and has extended much farther than the castle and port, with its suburbs stretching along the coast to Amathus. The history of Limassol is largely associated with the Third Crusade of Richard the Lionheart, who arrived in Limassol in 1191 on his way to the Holy Land. He arrested the renegade Byzantine Greek governor of Cyprus Limassol, Isaac Komnenos, taking over the entire island, and bringing the long Byzantine dominion of Cyprus to an end. Richard also celebrated his marriage with Berengaria who had received the crown as queen of England in Limassol. Richard destroyed Amathus and the inhabitants were transferred to Limassol.

Limassol has a Subtropical-Mediterranean climate with warm to hot dry summers and very mild winters separated by short springs and autumns with blue skies which are generally warm and pleasant.
